

# Conveyor Service & Electric

—“Keeping Your Business in Motion”—

9550 ANN STREET, SANTA FE SPRINGS, CA 90670  
PHONE (562) 777-1221 FAX (562) 777-1220 TOLL FREE (888) 633-3996

## Conveyor Systems

Manufacture Specialty Conveyors  
Gravity, Line Shaft, Slider/Roller Bed  
Chain/Belt Driven Live Roller  
Installation & Maintenance  
Modification & Repairs  
Conveyor Relocations  
Service Most Brands  
Machine Work  
Fabrication  
Belt Lacing

## Custom Fabrication

Platforms  
Conveyors  
Dock Levelers  
Transfer Plates  
Tanks & Hoppers  
Step/Cross Overs  
Stairs & Handrails  
Side Guard Railing  
Belt/Chain/Finger Guards  
Repair Maintenance & installation

## Machine Shop

Manufacture Special Order Pulleys  
Manufacture Replacement Rollers  
Multi-bearing Shafts & Keyways  
Manufacture Threaded Shafts  
Belt Lagged Drive Pulleys  
Drive System Rebuilding  
Custom Parts Machining  
Gear & Sprocket Boring  
Broaching/Press Fitting  
Precision Bearings

## Control & Instrumentation

Upgrade PLC Applications for Panels  
Install Automatic Controls & Gauges  
For: Pressure, PH, Various Levels  
For: Temperature, Speed, & More  
Install Variable Frequency Drives  
Rebuild/Upgrade Control Panels  
Rebuild old machinery & Equip  
Build New Control Panels  
Furnace Controls  
Service & Repair

## Welding

Stainless  
Mild Steel  
Aluminum  
On/Off-Site  
Arc Welding  
Gas Welding  
T.I.G. Welding  
M.I.G. Welding  
Propane Powered Welder  
Portable Arc & T.I.G. Machines

## Electrical Systems

Programmable Logic Control  
Engineering/Design/Drafting  
Troubleshooting & Repair  
Motor Control Specialist  
Complete Plant Wiring  
Industrial/Commercial  
Lighting & Control  
Service & Repair  
Control Panels  
Installation
